Un tesoro de conocimiento con lecciones de gerencia desde su primera frase. Definitivamente un libro que vale la pena comprar.Un libro completamente diferente a lo que estoy acostumbrado. La verdad, esperaba un libro escrito por Donald con buenos consejos sobre administraciÃ n, liderazgo

o finanzas, pero me encontré con algo muy diferente y desafiante. Aquí está la gran lección gerencial que enseñó a Donald Trump: Este hombre le pidió el mejor consejo de negocios a más de 150 grandes empresarios de Estados Unidos y lo único que hizo fue compilarlos en este libro. ¿Pueden imaginarse eso? Eso es ser gerente, sacar lo mejor de otros para un propósito más grande, lograr que grandes ejecutivos de marcas como Pepsi-Cola, McDonald's, General Electric plasmen sus mejores consejos, lograr que otros aporten a una causa excelente, tomar el mejor conocimiento de los demás (muchas veces mejores que el mismo Trump en conocimientos concretos). Aquí hay más de 150 lecciones para ser mejor!!

This book contains collective wisdom from more than 100 successful businesspeople who Trump asked about the best business advice they received. If you've read other business books, you will find that you've seen many tips before because a lot of it is common sense. But this book reminds us that to be successful is simple. There is no magic involved. But simple does not mean easy because execution is the hardest part. We've all been told to save, but few of us actually do it. Trump realizes that he cannot possibly know it all, and he relies on other people's experience, knowledge, and expertise. This book can help you with that. You will not agree with everyone featured in the book, but you may pick what suits you best. I really liked the advice of Jim Cantalupo, McDonalds' CEO, who said to take care of customers, and the bottom line will happen on its own.- Mariusz Skonieczny, author of Why Are We So Clueless about the Stock Market? Learn how to invest your money, how to pick stocks, and how to make money in the stock market

This is Fantastic, The Better Book Reading for me, this is Excellent for people with me, Thks Very Much
