Hiding In Public: (Rockstar Romance) (Private Love Book 5)

Synopsis

He's tortured, she's driven. When they're not loving the sparks really fly. Following a gruelling tour, Julian, his beloved Mags and their new baby Annabelle find themselves back home in New Zealand for some much needed rest and recreation. Torn between his desire to be the perfect family man and the incessant pull of the road, Julian makes his younger brother, Sam an offer that he knows he won't be able to refuse. Sam MacAvoy has grown up in the shadow of his older brother, Julian. When he's offered the opportunity to front his own band in Europe, singing Julian's new songs, Sam can't say no--even if the prospect is terrifying. All Dusty Tate's ever wanted is to make it big and be a star. She's watched her dreams slip through her fingers before, but now it looks as if Julian MacAvoy's going to give her another big break. Dusty's determined that her talent and drive can take both her and Sam to the top, eclipsing Julian's fame. Will her growing attraction to the hot, hard, tattooed bad boy and the spectre of Sam's alcoholic past destroy Dusty's dreams all over again? ** NB: This is Book 5 of the Private Love series. Customer Reviews

If you have been following this series you have met Julian MacAvoy' s younger brother Sam, the guy that Julian pretended didn't exist for years. Well with that in the past and it is Sam's turn to shine. Julian decides that Sam has enough talent to Carry on with his guidance, Julian also decided to bring back the lead guitarist from his last tour Dusty, much to Megs chagrin. I am not going to really say anymore for those who haven't caught up except this series can go on forever as far as I am concerned. This is about family and the pitfalls and perks of having a living legend for a brother. The scenes with Julian and Megs were both welcomed and bittersweet

Sam MacAvoy has grown up in his brothers shadow his brother is a rock and roll band now Sam gets his chance and he is scared and excited he can't wait to do this but he has a problem with alcohol and one beautiful women oh boy will they make it or what? Dusty Tate has wanted to make it to the top and she has tried and it slipped from her fingers but Julian MacAvoy's is giving her a big second chance and boy is she more than ready to play her guitar and be in the band this is a great story and awesome book loved it so much I got this free for a honest review Michelle Hiding in Public: (Rockstar Romance) (Private Love Book 5)

I am a huge fan of this series. In this book we see how Julian and Mags are getting along. Will Julian be able to leave touring behind? Will Julian be happy out of the limelight? Julian's brother Sam comes for a visit. Is he the answer to Julian's dreams or will his being a recovering alcoholic get in the way? I enjoyed watching as Julian and Sam came to terms with life after Julian has given up his touring.
