Three Plays By Maureen Hunter: Footprints On The Moon; Beautiful Lake Winnipeg; Transit Of Venus

Synopsis

The three outstanding plays in this collection include *Footprints on the Moon* (finalist for the Governor General's Award and winner of the Labatt Award for Best Canadian Play) which tells the story of a woman's attempt to prevent her teenage daughter from leaving home and escalates into a struggle to understand the loves and losses that have shaped her life; *Beautiful Lake Winnipeg*, a riveting tongue-in-cheek tale about adults who play dangerous games as a young man accompanies his fiancée to her lakeside cabin only to find her ex-husband waiting for them; and lastly, *Transit of Venus*, which is set in France at a time when society was rapidly expanding its knowledge of the earth and the cosmos. This powerful drama about an ambitious astronomer and the women who love him examines the conflicting needs of men and women.
