Reclaimed (A Knights Rebels MC Book 3)

Synopsis

When the woman you love is lost, how hard will you fight to get her back? Following the birth of her daughter, Kadence Knight finds herself in a battle she never prepared for. With desperation and unhappiness threatening to overwhelm her, a sense of hopelessness pulls her away from the one thing she has always longed for: a family. As Nix watches his wife struggle with something he doesn't understand, he can't help but feel disconnected to his woman. The Kadence he once knew has drifted into the darkness. In her place is a shadow of the woman she once was, one who is fearful of the impossible...failing their daughter. This Valentine's Day, Nix has one goal to reclaim the woman who gave him everything. *Please note this is a novella and features the characters from the previous storyline. The events of Reclaimed take place after Incandescent and Affliction. Book one and two in the Knights Rebels MC. To get the full advantage of the story, and character development, I strongly suggest you read in order.

Customer Reviews

Reclaimed is a continuation of Nix and Kadence's story and one that you should prepare yourself for. It isn't all sunshine and butterflies. It is an achingly real and any woman who has given birth can

relate to how difficult and overwhelming it can be. I have birthed and cared for four children, before I had my first son, I thought I knew everything there was to know about being a mother. It was not at all how I pictured it to be. River Savage wrote a tasteful and realistic book that made me feel a certain kindness towards Kadence. The roles that both Nix and Kadence took were unexpected and refreshing. To say I was surprised by this short book would be an understatement. I related to this story as mother, daughter, wife, and friend. The journey I was taken on was short, but it has stayed with me long after reading. In the very beginning, we are shown a happy time with Nix and Kadence. She tells Nix she is pregnant, and we see how excited these two both are to be parents together. With the previous book in the series, we know how much in love and perfect for one another they are. Flash forward to after the birth of their daughter and things have changed tremendously. Kadence isn't doing very well and is suffering from post-partum depression. It has affected so much in their lives and caring for the baby has become very difficult for Kadence. Nix does everything he can to make things better for her, but still Kadence can't even get herself out of bed. A time that should be one of the happiest in their lives is a constant struggle. Kadence and Nix have lost everything they had before the baby was born. There isn't much romance and with the stress of Kadence's illness, new baby, and the club Nix is lost. He wants Kadence to get through this time and come back the woman he fell in love with.
