El Prodigioso Viaje De Edward Tulane (Spanish Edition)

Synopsis

Follow the extraordinary journey of a rabbit, Edward Tulane, from the depths of the ocean to the net of a fisherman, from the top of a garbage heap to the fireside of a camp of homeless people, from the bedside of an ailing child to the streets of Memphis. And along the way, we are shown a true miracle--that even a heart of the most breakable kind can learn to love, to lose, and to love again.

Me encanto!! Es uno de los mejores libros que leido en mucho tiempo. Considero es para adolescentes y adultos. Aunque es hecho para niÃ os. Es una hermosa historia que tiene una, o mÃis bien dirÃ a mÃis de una enseÃ anza para grandes y chicos. I Love it!!!!!! I think is one the best story i ever read.

I already had the original version (english) and was trying to obtain this spanish edition as a gift for a friend here in Lima. It is as beautiful as the one I had, though it doesn't have the square shape the original one has. I could notice (at least in my copy) the illuminations are all gathered in a block at the middle of the book, not in their corresponding chapters which is another detail, if good or not that depends on your preferences. Anyway, a lovely story, a fine gift. Enjoy.
