Customer Reviews

The quality of the writing is nearly as thrilling as Elleta's sexual encounter in this short, but enthralling tale. The author is able to stimulate both the mind and body simultaneously, a very welcome happenstance indeed! I am truly looking forward to more of Elleta's erotic adventures; I hope Sterling is working hard to publish a full length novel soon!

Atmospheric and well-written except for a few egregious homophone fails ("Elleta's waste", "taught flesh"). The story is MFF, which I hadn't expected, and the first (highly dubcon) sex scene is followed by another, much gentler one. Definitely worthwhile for any Viking fancier!
