Customer Reviews

Excellent! Love the "Explora tu Mundo" series. Wonderful illustrations and fun facts. Information doesn't delve too deep, but it wasn't made to. Lots of general info and tidbits that kids and adults alike can appreciate. If used as a second language learning tool, the value is even further

augmented. While as far as I know it's not marketed as such and contains no English or linguistic explanations, it could prove a worthy aid (especially for vocab) for a competent Spanish language learner. Well worth the money.

Excelente, las imágenes a todo color y claras .
