Customer Reviews

I bought this book to read to my son as I want him to speak both Russian and English languages. I'm Russian and my husband is American so we are raising a bi-lingual child..well, trying. The quality of the book is great. I didn't expect that but even paperback is thick and paper is high quality. The fairy tales are just like I remember them from my childhood. The only downside is that it's too short. I wish there were more stories in it or series of books.

This book was a gift to a little friend who reads Russian. I do not. I brought it for her to practice, and for the illustrations of Bilibin. I had Bilibin books myself as a child and loved them. He is such a good artist. Unfortunately this book is fairly cheaply produced and the reproductions are not very good, the colors are faded. Still made a good present.

I am in Russian 2 in College and had to do a project on Russian fairytales. The internet does not have much on the topic to be honest so I am so glad I purchased this book, it is beautifully illustrated and it was a great way to present them to my class instead of a boring ol' powerpoint. My Russian friends said these were all very famous Russian tales. Mind you, this book is ONLY IN RUSSIAN, no english translations, but that makes it even better to me, and with my level of russian i could piece the story together without needing translations. Thank you Alexander Afanasyev for the A on my project!

I bought this book for my 3yo for the illustrations and her love for fairytales. She speaks russian very well so the book was very easy to understand. The illustrations are beautiful! I know one of the reviews said that the book was cheaply made but I don't feel like it was. It was paperback so what more can I expect; it didn't take away from the illustrations for me or my daughter. We still love it and read it often.

Bilibin illustrated Russian folk tales at a turn of the XX century in the Art Nouveaux style combined with ancient Russian folk art. Amazing illustrations with great detail work, worth every penny, in Russian or English.

The way we read it back in the 70s and 80s. Difficult part- outdated

vocabulary. $\text{Э}\tilde{\text{Н}}\cdot\tilde{\text{Н}} \quad \tilde{\text{Н}} \quad \tilde{\text{Н}}\sim \text{,} \quad \tilde{\text{Н}}\cdot \gg \quad \tilde{\text{Н}}f \text{ ¶ } \text{,} \quad \tilde{\text{Н}} \tilde{\text{Н}} \tilde{\text{Н}}\cdot\tilde{\text{Н}}\cdot\tilde{\text{Н}}\cdot$
 $\tilde{\text{Н}}\cdot \quad \tilde{\text{Н}} \quad \tilde{\text{Н}}\text{<} \quad \tilde{\text{Н}}\cdot \gg \quad \tilde{\text{Н}} \quad \tilde{\text{Н}} \quad \text{°} \text{ .}$

Sweet, lovely translation of a classic work, a beautiful gift for a Russian speaking child or a learner of the language. Wonderful illustrations and charming text.

Very good book with awesome Bilibin's illustrations! I just wish the publisher may think of issuing the book with more fairy tales.
