It is your wife’s stubbornness that is holding her back. Cara Lavery is unhappy with her marriage, but when her husband suggests they consult Dr Jason Banks, she is against the idea. However, Lord Lavery is insistent that she should be examined by the eminent doctor to discover why she feels unable to become a proper wife. Cara is shocked by the doctor’s unusual methods which include a taste of humiliation to unlock her desire. Hasn’t she already been humiliated enough?
