Customer Reviews
Great read if....you enjoy quick hot reads, farm settings, sub/dom play and an HEA. Side note: The original story itself was alright, but the free one attached was sooooo much hotter. Hell I recommend buying this one FOR that one. This was basically a good short read if you’re just looking for not a lot of substance and just some dirty raunchy fun.
This book was goofy. The sarcastic tones were not funny. The beginning of the book was not funny and I thought that it would get better, but unfortunately it didn't.
